Psalm 78 1-7

"I will utter the sayings our fathers have told us. We will not hide them from their children but tell the coming generations the glorious deeds of the Lord, His might, and the wonders He has done. He established a testimony in Jacob and appointed a law in Israel, which he commanded our fathers to teach to their children. Then those born later would know His laws, even their children yet to come would know them, and they in turn would tell their children."
